MANAGEMENT DISCUSSION AND ANALYSIS

a. Industry structure and developments:

The company operates in the domain of egg powder and frozen egg manufacture and exports.

At present there are only few companies that are active in this domain in India. Your Company has identified the new markets and increased its customer base and product range.

Your company has built a reputation over the years amongst its customer for quality products.

b. Opportunities and Threats:

At present only other few units are actively manufacturing these products in the country.

The company can utilize its past experience and skill to stabilize in this industry.

Ground Floor # 46, Old No. 32/1, 3rd Cross, Aga Abbas Ali Road, Ulsoor, Bangalore - 560 042.

c. Segment wise or product wise performance:

' The company was operating in one predominant segment i.e. manufacture of standard egg powder and frozen egg. At present the company is involved in making specialized products in this segment.

d. Out look:

Despite the severe working capital shortage, your directors have prioritized in improving its quality measures and have been successful in keeping its clients happy on the product quality front.

The management looks to the future with optimism.

e. Risks and concerns:

- Due to the constant rise in raw material prices in the country in the recent past the cost of production is on an increasing trend.
- Rising man power costs is also a major concern the industry is facing.
- Severe shortage of working capital funds is again a concern for the industry.

The company is successful in retaining its clients and convincing them to get better realization by catering with high quality products.

f. Internal control systems and their adequacy.

The company has got adequate internal control systems in place for the current level of operations of the company and your management would continue to strengthen this.

g. Discussion on financial performance with respect to operational performance.

Though the company's profitability is under tremendous pressure in the current financial year, it has not made any cash loss.

h. Material developments in Human Resources/ Industrial Relations front, including number of people employed

The company has experienced, loyal professionals working in production, sales and administration. The company has got very good industrial relations and the employees and the management has very cordial relationship between them.

DEPOSITS

In terms of the provisions of Section 58A of the Companies Act, 1956 read with the Companies (Acceptance of Deposits Rules) 1975, the company has not accepted any fixed deposit during the year under review.

AUDITORS QUALIFICATION:

In our opinion and to the best of our information and according to the explanations given to us, the said accounts give the information required by the Companies Act, 1956, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India subject to the following:

Opinion

- a) Interest on term loans availed from KSIIDC & MFPI is provided @ 15% per annum as against the demands of the financial institutions. The company has been providing interest @ 15% per annum based on the rate of interest applicable to M.F.P.I loan and after taking into account the fact that the company is 100% EOU situated in an industrially backward area. Also, the management is willing to go for One Time Settlement (OTS) for such loans with the bank.
- b) Company has not paid interest or principal due to Public financial institutions to the tune of Rs 33,368,711/- as per the books as on 31.3.2013.

Annexure to the Auditor's Report

Point (i)(b) Physical verification is done in a phased manner. However, during the year no physical verification was conducted. Hence we are unable to comment on any material discrepancies.

Point (vii) The Company did not have an internal audit system during the year.

DIRECTORS RESPONSE:

To Opinion

"The company, being a BIFR company, is negotiating with the financial institutions for the waiver of repayment/interest and other terms of the loan and hence the repayment /interest liability is not likely to arise. Therefore the same has not been provided for at the rates given in the proposal or demanded".

To Annexure to the Auditor's Report:

- Point (i)(b) The Board has taken note and shall take up the necessary verification for the current year.
- Point (vii) The Board shall take up the responsibility to introduce internal audit for the current year.

INDEPENDENT AUDITOR'S REPORT

To,
The Members of Ovobel Foods Limited

Report on the Financial Statements

1. We have audited the accompanying financial statements of **Ovobel Foods Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2013, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India except for the following:

- i) Interest on term loans availed from KSIIDC & MFPI is provided @ 15% per annum as against the demands of the financial institutions. The company has been providing interest @ 15% per annum based on the rate of interest applicable to M.F.P.I loan and after taking into account the fact that the company is 100% EOU situated in an industrially backward area. Also, the management is willing to go for One Time Settlement (OTS) for such loans with the bank.
- ii) Company has not paid interest or principal due to Public financial institutions to the tune of Rs 3,33,68,711 as per the books as on 31.3.2013.
- (a) In the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2013;
- (b) In the case of the Statement of Profit and Loss, of the loss for the year ended on that date; and
- (c) In the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2003 ("the Order") issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
- 2. As required by section 227(3) of the Act, we report that:
 - a. we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books [and proper returns adequate for the purposes of our audit have been received from branches not visited by us];
 - c. the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account [and with the returns received from branches not visited by us];
 - d. in our opinion, the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement comply with the Accounting Standards referred to in subsection (3C) of section 211 of the Companies Act, 1956;
 - e. On the basis of written representations received from the directors as on March 31, 2013, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2013, from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Companies Act, 1956.

f. Since the Central Government has not issued any notification as to the rate at which the cess is to be paid under section 441A of the Companies Act, 1956 nor has it issued any Rules under the said section, prescribing the manner in which such cess is to be paid, no cess is due and payable by the Company.

Note 1

Summary of Significant Accounting Policies

1 Basis of preparation of financial statements

The financial statements are prepared under the historical cost convention, on the accrual basis of accounting and in accordance with the accounting standards specified in section 211 (3C) of the Companies Act, 1956. The company follows accounting policies consistently in accordance with generally accepted accounting principles, other than those specifically stated.

The Company is a Non- Small and Medium size Company ("Non-SMC") as defined in the General Instructions of the Rules in respect of Accounting Standards notified under the Companies Act, 1956. Accordingly, the Company has complied with the accounting standards as applicable to a small and medium sized Company. All amounts are stated in Indian Rupees, except as otherwise specified.

2 Use of Estimates

The preparation of financial statements in conformity with general accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

3 Tangible and Intangible Fixed Assets and depreciation

Fixed assets are stated at cost less accumulated depreciation. The Company capitalises all costs relating to the acquisition and installation of fixed assets.

Depreciation on fixed assets is calculated based on straight-line method at the rates and in the manner specified in Schedule XIV to the Companies Act, 1956. In case of plant & machinery depreciation is being charged based on 3 shifts at the rates mentioned in Schedule XIV.

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the Company measures its 'value in use' on the basis of undiscounted cash flows of next five years projections estimated based on current prices.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

4 Inventories

Inventories are valued at cost or net realisable value whichever is less

5 Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are valued at the lower of cost and fair value. Changes in the carrying amount of current investments are recognized in the Profit and Loss Account. Long-term investments are valued at cost, less any provision for diminution, other than temporary, in the value of such investments; decline, if any, is charged to the Profit and Loss Account. Cost comprises cost of acquisition and related expenses such as brokerage and stamp duties.

6 Revenue Recognition

A. Sale of Products:

1. Export Sales

Revenue from the sale of products is recognised at the point of bill of lading of goods at the customs port.

2. Domestic Sales

Revenue from the sale of product is recognized at the point of dispatch of goods from the factory/warehouse of the company.

B. Sale of Export license:

Revenue from sales of export license is recognized as & when licenses are sold to third party.

C. Interest Income:

Interest Income is recognised using time-proportion method, based on rates implicit in the transactions.

D. Dividend Income:

Dividend Income is recognised when the company's right to receive the same has been established.

7 Expenditure

A provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. The Estimates towards warranty claims made against the company is on a technical basis.

8 Foreign Currency Transactions

Sales made to Overseas Clients and collections deposited in bank accounts are recorded at the exchange rates prevailing on the date of the respective transactions. Expenditure in foreign currency is accounted at the exchange rate prevailing on the date on which such expenditure is incurred. Exchange differences are recorded when the amount actually received on sales or actually paid when expenditure incurred is converted into Indian Rupees. The exchange difference arising on Foreign Currency transactions are recognized as income/ expense during the period in which they arise.

Monetary Current Assets and Monetary Current Liabilities denominated in foreign currency are translated at the exchange rate prevailing at the date of the Balance Sheet. The resulting difference is also recorded in the Profit & Loss Account.

9 Cash Flow

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular revenue generating, investing and financing activities of the Company are segregated.

10 Sales Commission

Sales Commission payable is provided as and when the revenue from such sales is accounted.

11 Prior Period Adjustments

Income or Expenses if it is more than Rs 25,000/-on materiality basis, which arises, in the current period as a result of error or omission in the preparation of financial statements for previous years have been treated as prior period adjustments.

12 Earnings Per Share

In determining Earnings Per Share the company considers the net profit after tax and includes the post effect of any extra-ordinary items. The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the year.

13 Retirement Benefits

Retirement benefit costs for the year are determined on the following basis:

- 1. All employees are covered under contributory provident fund benefit of a contribution of 12% of salary and certain allowances. It is a defined contribution scheme and the contributions are charged to Profit and Loss Account of the year when the contributions to such fund is due. There is no obligation other than the contributions payable to the respective fund.
- 2. Accrual for gratuity is made on the basis of a year-end actuarial valuation in pursuance of the Company's leave encashment policy. The liability as at the Balance sheet date is provided for based on the actuarial valuation in accordance with the requirements of revised AS 15 at the end of the year.
- 3. Accrual for leave encashment benefit is made on the basis of a year-end actuarial valuation in pursuance of the Company's leave encashment policy. The liability as at the Balance sheet date is provided for based on the actuarial valuation in accordance with the requirements of revised AS 15 at the end of the year.

14 Accounting for Tax on Income

Current tax is determined based on the amount of tax payable in respect of taxable income for the year. Deferred tax is recognized on timing differences: being the difference between the taxable incomes and accounting income that originate in one year and are capable of reversal in one or more subsequent years. Deferred tax assets and liabilities have been enacted or substantively enacted by the Balance sheet date. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognized only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized.

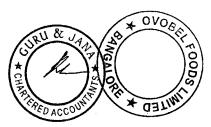

15 Contingent Liabilities & Provisions

In terms of the requirements of the Accounting Standard 29 (AS 29) on "Provisions, Contingent Liabilities and Contingent Assets" notified by Companies (Accounting Standards) Rules, 2006:

- where, as a result of past events, there is a present obligation that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation- an appropriate provision is created and disclosed;
- where, as a result of past events, there is a possible obligation that may, but probably will not require an outflow of resources- no provision is recognized but appropriate disclosure made as contingent liabilities unless the possibility of outflow is remote.

16 Measurement of FRITDA

As permitted by the guidance note on the revised schedule VI to the Companies Act 1956, the company has elected to present earnings before interest, tax, depreciation and amortization (EBITDA) as a separate line item on the face of the statement of profit and loss account. The company measures EBITDA on the basis of profit/ (loss) from continuing operations. In its measurements, the company does not include depreciation and amortization expenses, finance costs and tax expense.
