- The above is an extract of the detailed format of the standalone and consolidated Financial Results for the quarter ended 30 June, 2025, filed with the Stock Exchanges under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. - The Company has earned cash profits on standalone basis and incurred cash losses on consolidated basis during the quarter ended 30 June, 2025. However, the Company/Group has incurred cash losses during the previous periods/year. Due to recession in the past in the real estate sector owing to slowdown in demand, the company faced lack of adequate sources of finance to fund execution and completion of its ongoing projects resulting in delayed realisation from its customers. The company is facing tight liquidity situation as a result of which there have been delays/default in payment to lenders, statutory liabilities, salaries to employees and other dues. However, considering substantial improvement in real estate sector recently, the Management is of the opinion that all such issues will be resolved in due course by required finance through alternate sources, including sale of non-core assets.
- Figures for the previous quarter / period have been regrouped, wherever necessary, for the purpose of comparison.
